

UC ANR WELCOMES YOU TO THE 5TH ANNUAL
RESIDENTIAL LANDSCAPE GARDENING

OPEN HOUSE AND VENDOR FAIR

FREE ADMISSION • SATURDAY, OCTOBER 5, 2013 • 9 AM - 2 PM
UC ANR South Coast Research & Extension Center • 7601 Irvine Blvd, Irvine, CA 92618

Discover activities for the whole family!

EXPLORE the UCCE Demonstration Landscapes - see and learn about sustainable gardening practices such as rainwater harvesting, low-water plantings, irrigation technologies, composting, mulching, and environmentally friendly pest control alternatives.

TASTE fresh, seasonal fruit grown at the UC ANR South Coast Research & Extension Center.

LISTEN to presentations by UC experts about selecting plants for the local climate, the benefits of edible gardening, portable vegetable gardening, and demystifying your irrigation controller.

GET ANSWERS to your landscape questions from UCCE Master Gardeners, UC experts, various industry vendors, and local water agencies.
